CONSTRUCTION SUSTAINABILITY SUMMIT 2025

**INNOVATIVE CONSTRUCTION
FOR A SUSTAINABLE FUTURE**

13-14 MAY 2025 | BCKK, KUCHING, SARAWAK

SESSION TOPICS:

The Construction Sustainability Summit 2025 (CSS 2025) brings together industry leaders, policymakers, and experts to explore sustainable construction practices, renewable energy solutions, and innovative technologies shaping the future of the built environment. With a strong focus on green infrastructure, energy transition, and cutting-edge construction methodologies, the summit serves as a premier platform for knowledge exchange, networking, and strategic collaboration.

KEY HIGHLIGHTS

Keynote Address:

**“Transforming Sarawak:
Advancing Sustainable
Construction and Renewable
Energy for a Greener Future”**

**By YB Datuk Amar Haji Awang Tengah
Ali Hasan, Deputy Premier of Sarawak**

Special Keynote Address:

**“Indonesia Rising: The Next
Frontier for Construction &
Infrastructure”**

**By Dr Ir Resdiansyah, Senior Advisor of
Infrastructure and Regional Development,
Executive Office of the President,
Republic of Indonesia**

Sustainable Mega Projects & Green Energy

- *The Hydrogen Revolution: Sarawak’s Pathway to a Green Energy Economy* – **YBhg Datu Haji Abdul Hadi Bin Datuk Haji Abdul Kadir, SEDC Sarawak**
- *Sarawak’s Energy Transition: Driving Sustainable Growth Through Clean Power* – **YBhg Datuk Haji Sharbini Suhaili, Sarawak Energy Berhad (SEB)**
- *“Revolutionizing Construction: Smart Technologies for a Greener Tomorrow”* – **YBhg Dato’ Sri Ir Dr Judin Abdul Karim, MRCB Builders**

Innovations in Construction & ESG Strategies

- *Sustainability in Mega Projects: Balancing Growth with Environmental Responsibility* – **Ms Ong Jee Lian, Gamuda Group**
- *Sustainability and Innovation through Timber for Multistorey Construction* – **Ms Phyllis Chong, Rubner Timber Engineering**

Green & Innovative Construction Materials

- *Engineering the Future: Sustainable Structural Solutions for Tomorrow’s Cities* – **Prof Neil Thomas MBE, Atelier One**
- *Nurturing Changemakers to Make Our World Sustainable* – **Mr John Hardy, Green School Bali**
- *Designing for a Low-Carbon Future: Innovations in Sustainable Building Engineering* – **Prof Patrick Bellew RDI, Atelier Ten & FJ Group**

WHY ATTEND?

- Gain insights from leading **industry experts** and **policymakers**.
- Explore **innovative solutions** driving sustainability in construction and infrastructure.
- Connect with key stakeholders in **construction, energy, and sustainability**.
- Learn about **Sarawak's and Southeast Asia's** role in the global sustainability agenda.

With a blend of **thought-provoking discussions, networking opportunities, and cutting-edge presentations**, the **CSS 2025** is a must-attend event for those committed to shaping a greener, more sustainable built environment.
